

System Medical Advisory December 27, 2017

OB services no longer available at Seton Southwest Hospital

On December 27, 2017 OMD staff were advised via email that: "Effective Jan. 2, 2018, OB deliveries will move to Seton Medical Center Austin and OB call coverage will no longer be available at Seton Southwest (SSW). Gynecology services will remain at SSW."

As a result effective 01.02.18 @ 0700 hours we will no longer transport OB patients \geq 20 weeks to SSW. The attached Hospital Transport Grid CR-13 reflects the removal of SSW from the Perinatal Center Section of the Grid.

We apologize for the short notice and implementation timeline of this Medical Advisory. Thanks for all you do. Questions relating specifically to the COGs can be sent to cogs@austintexas.gov
