

Include the following note on the cover sheet and utility sheet(s) of the site/subdivision plans that are signed by the MUD, WCID, etc... or private utility provider and the ESD/Fire Marshal, prior to Austin Water sign-off.

“These plans do not comply with current Austin Water standards and the City of Austin Utility Criteria Manual. Austin Water has no objections to the plan set as approved by the water and/or wastewater purveyor and the Emergency Service District/Fire Marshal.”
